January 12, 2021

The City of Marshall will be submitting an application, no later than April 3, 2021, to seek coverage under Missouri Department of Natural Resources General Permit MOR04C - the comprehensive permit for municipal separate storm sewer systems. This will be an extension of the City's existing stormwater quality program.

A public meeting to review the proposed permit application and an outline of the proposed program plan will be held as part of the regular City Council meeting on February 16, 2021.

The general permit may be viewed at  
<https://dnr.mo.gov/env/wpp/permits/issued/docs/R04C000.pdf>.

Additionally, the City's application and an outline of the proposed Stormwater Management Plan (SWMP) is posted on the City of Marshall website at [marshall-mo.com](http://marshall-mo.com)

Public comments on the application and SWMP outline may be directed to: Department of Municipal Services, 1277 S. Odell Ave., Marshall, MO 65340, [municipalservices@mmuonline.net](mailto:municipalservices@mmuonline.net), or 660-886-3945.
